

DID YOU KNOW?

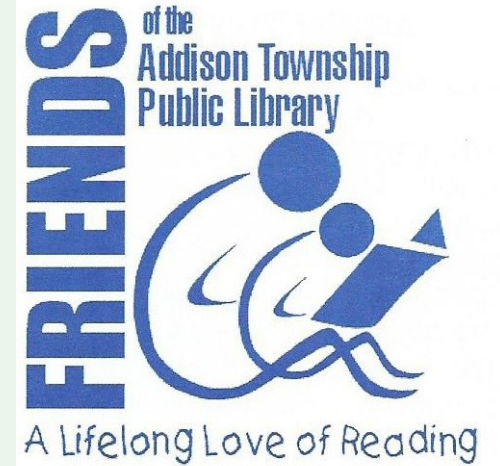

The Addison Township Library has served the residents of Addison Township and surrounding areas for more than 40 years.

We moved into our current location in 2011. The lease expires in March of 2021. In 2008 the Library was generously donated the 3.8 acre parcel of land across the road from their current location.

Since then there have been several attempts to raise the funds to build Addison Township's first dedicated library building. In 2018 the Library Board set about making a concerted effort to plan and fundraise for a modest building on the donated property.
