Your **PIN** is the last 4 digits of the phone number we have on file for you, OR 1234.

To find a book:

Click on the magnifying glass symbol located on the right of the screen:

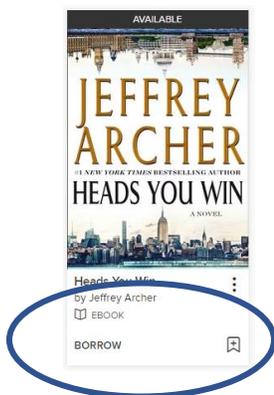

In the search bar that pops up, type in the title of the book, or the author you are looking for. Click on the correct title or author name which will pop up as you start typing.

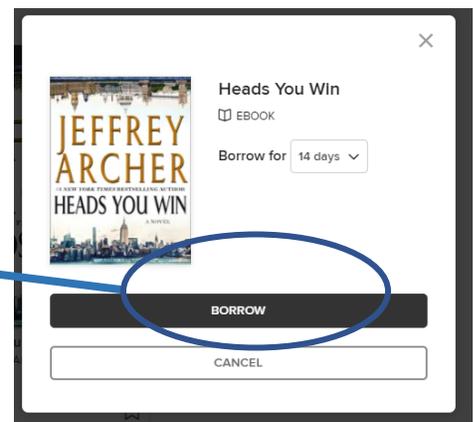

The next page will show the covers of the titles which are accessible to you as an Addison patron. To narrow your choices, look at the options on the left of the screen:
