Capital Campaign Update

Addison Township's First Library

There will likely only be one library built in Addison Township. Won't you please be a part of it?

We were generously donated the property across the road from our current location in 2008, and now plan to build a new library.

We have raised over \$90,000 so far! But we still need your help!

Every donation matters: brick purchases, cash donations, pledges for plumbing supplies, or even time helping plan or fundraise.
