Director's Corner....

The Library celebrates its 40th Anniversary in 2018! We seek enthusiastic patrons who want to help us organize the celebration for next year. Do you have any early library photos and/or memories? if you were part of our history, we want to talk to you!

The library continues to play a strong role in the community by connecting people, providing internet access, promoting literacy along with igniting excitement about arts, culture and entertainment through bestselling literature and programs! Help us honor and continue our legacy.
