A few words from your Director.....

Ten years ago we received a generous land donation for the purpose of building a new library. The recession and falling home values have made our goal more difficult but not unachievable. Options to purchase a building are also being considered as an alternative. We seek feedback from our whole community during this period of planning before our lease ends in March, 2021. You have a say in our future! Let's move forward together! Questions? Email or call: jberman@tln.lib.mi.us, 248-628-7180
