Director's Corner.....

The Library's 10 year lease runs out in March 2021. Our current space is going to be demolished by the owner and rebuilt for commercial use. We seek your constructive ideas about our next phase. The library needs more space for collections, programs and technology. While we are considering all options including building on our donated property across the street, we want to conserve spending and pursue the most responsible direction. I continually welcome your input as we move forward together! Ideas or questions? My door is always open! (248) 628-7180, or email jberman@tln.lib.mi.us,
Jaema Berman, Library Director

The Friends of the Library

...are getting ready for our annual book sale at the Strawberry Festival on Saturday, July 15. We need books—you can leave them at the library Marked "FOL" or call Jill Banaszynski (248-969-0186) to pick them up. Also, we need workers at the book sale. You can volunteer to work a 2-hour shift by calling Linda Hodges (248-628-4811). And don't forget to put the Fall Flavor Fest on your calendar – Thursday, October 26 at the Addison Oaks Banquet Center!
